"If they had intended to come out, they would certainly have made some preparation therefore; but Allah was averse to their being sent forth; so He made them lag behind, and they were told, sit ye among those who sit."

In the name of Allah the Gracious the Merciful

,My brother Aba al-Ayyubi

I am still hearing about you the best news from the brother al-Karkhi. May Allah bless you and make your path successful and make you among the pioneers of His paradise. He truly is the Hearer and the Answerer. Your goal is honorable for the sake of Allah and with His help I will assist you as I assisted the brother al-Karkhi and others and I still do

My dear as the brother al-Karkhi advised you I would like to emphasize the importance of the caution so that we do not alert Allah's enemies the infidels to what we are doing. Therefore I ask you to apply the instructions literally that I will send you from time to time and I will begin with something extremely small and from that we will advance to the things

.Of importance and that will get you to your desire

:The first task is extremely easy and its purpose is to establish the method of communication between us so that we will be able to talk openly afterwards

:This is the first task

:Send me a short message from your personal e-mail which is

jordan-pilot@hotmail.com

:And the message is literally: "12345" no more and no less. And send the message to my personal address which is

i3dad99@hotmail.com

After this small task we proceed to the bigger. [REDACTED]

[REDACTED] My brother, I have for you a very beautiful surprise and it does not have any embarrassment or danger. I will tell you

. About it as soon as the method of our secure communication is established
